STEP 1

Preparing my study project

• Prepare a study project:

Begin by identifying the field of study in which you would like to specialize. Define your studies in relation to your professional project.

• **Check** our catalog of programs to have access to the websites of the programs, to verify the conditions of registration, the prerequisites, the fees, etc. cataloguelm.campusfrance.org/master/#/catalog

• **Practical tip:** Check specialized websites such as: onisep.fr, letudiant.fr, etudiant.gouv.fr,

• Once your study project has been defined **choose** the programs that interest you and the institution where you want to enroll.

You can also **make an appointment** with the of Campus France Egypt's Offices, to get help from our advisers.

Did you know? In France more than 1,500 higher education programs are taught in English programs. You do not need to speak French.
